I. Check-In Activity

- Joseline will be leaving RUHS and moving to a new position.

II. Follow-up Items:

- Lily met with the Coroner’s Office regarding Suicide Death Review Team; they shared they do not currently have the staffing resources to assist. Pulling information is challenging due to the data system being outdated. They shared that they can have someone pull information to share and also discussed asking the coroner to make items from their report. Another possibility would be using some funds from the grant to create a portal or application for the coroner to use. It was mentioned that Suzanna could visit and look at their data system. They will be meeting again at the end of June.

- Data-Briefs - Sharing of data briefs was pending internal review. Joseline shared that it is currently being reviewed by internal supervisors. Amy suggest adding a letter from leadership to the data briefs that shares information regarding suicide in Riverside County and information about the Suicide Prevention Coalition. Members present agree that it would be a good idea to have a letter and add to the briefs. Mindy will reach out to leadership to share the idea.
- Mindy inquired if the letter would delay the process of when the data-briefs would be shared with the SC for review. Joseline shared that Amy stated the letter is not needed for SC to review the briefs.

III. Other Matters:

- Recruitment; would like to table this item for discussion at next meeting with more members present.

IV. Action Items:

- Mindy will reach out to SPC Leadership to share idea of adding letter to Data-Briefs.
- Mindy will reach out to Christy Mota and ask if she is still interested in being part of the SC.

V. Next Meeting:

- Thursday, June 16, 2022 9:00am - 10:00am

❖ Next Suicide Prevention Coalition Quarterly Meeting
