I. Welcome

- **Introductions**

II. Next Meeting

- **TIP Update – Magda Stewart & Brenda Scott**
 - **Same position- Finished training academy, the 9 finishing and half have already been on calls, so has Brenda. Was on Agenda in Jurupa Valley for request for services, has been moved, the city manager putting it into their July meeting as a “line item”.**
 - **Has hopes of presenting TIP in Norco, in talks with a counsel member, as well as Eastvale.**
 - **Magda has purchased a new url for TIP and is in the process of rebranding.**
 - **Brenda can connect TIP with Diane Rhodes, can interview for local news.**
- **Bereavement Counseling – Diana G. (Jury Duty)**
 - **Arlene says IEHP’s behavioral health providers are ready to participate in trainings, just waiting on Diana’s direction, says there is delay on training dates, criteria to participate, and any other relevant information.**
- **Survivors of Suicide Loss Peer Support Groups**
 - **Brenda has example flyer from Michelle with SOSL San Diego to recruit volunteers. Will work with Monique/Sean on creating our own. Will send out via Instagram, etc.**
 - **Training survivors – Need to figure out who will be the main point of contact for Riverside SOSL, so that the cover letter, flyer, etc that is sent out has that information for groups to get back to us.**
 - **Keep SOSL volunteer material/information separate from TIP and other volunteer activities.**
 - **Magda laid out three points to focus on 1.) Getting accurate**

information/how to move forward with those who are interested in becoming facilitators. 2.) Focus on how to become informed/reach out to those SOSL outside our service area. 3.) Recruiting.

- Engaging survivors – Allison will inquire about how to connect and inform TIP about a suicide in order to get SOSL support in non-service areas.

III. Next meeting

- Magda will not be attending – TIP national conference
- Brenda will follow up with Michelle to work with Monique and Sean on a more detailed flyer.
- Find out who our contact is for participation in trainings.
- Get in touch with Jenn from the helpline/AAS for anything useful to the coalition.
